Soytaş Group, 30 yılı aşkın sektörel deneyimiyle, Avrupa standartlarına uygun PVC levhalar üretmektedir. Son teknoloji ekstrüzyon hatlarıyla üretilen bu levhalar, kurşun ve kanserojen madde içermeyen yapılarıyla mobilya sektörüne entegre olup, yenilikçi çözümler sunulmasına katkı sağlamaktadır. Bu teknolojiyi kullanarak geliştirdiğimiz masa ayaklarıyla, mobilya sektörüne yüksek kaliteli ve dayanıklı çözümler sunuyoruz.

Soytaş Group, with over 30 years of industry experience, produces PVC sheets that comply with European standards. These sheets, manufactured using advanced extrusion technology, integrate seamlessly into the furniture industry with their lead- and carcinogen-free composition, contributing to the provision of innovative solutions. By using this technology, we offer high-quality and durable solutions to the furniture industry with the table bases we have developed.
